

Please use your best judgement...some things you're going to really need.
Most of these are optional, if you're not sure, bring it anyway.

CHECK!	WHAT TO BRING
	Sewing machine, power cord, foot attachments, and instruction manual, needles, sewing machine oil (if needed)
	Extension Cord
	EVERYTHING you need for your project: - Pattern and the instructions for the pattern - Fabric, interfacing, lining, etc... Extra bobbins for your specific machine - Notions: zipper, elastic, hooks, eyes, binding tape, buttons, snaps - THREAD, including threads for buttons, or other specialty thread
	Scissors
	Rotary cutter and cutting mat, please bring along if you need to use these.
	Marking supplies for paper and/or fabric, including tracing wheel and pattern marking paper
	Measuring tape
	Fabric pins, or weights to hold down your fabric for cutting
	Scotch magic tape if you need to make any pattern adjustments
	Seam Ripper (Very Important)
	Hand-sewing needles, if you will need these for buttons or other.
	Ruler, a clear kind, preferably that has pre-set grid pattern that is 2" x 18" (very useful for pattern adjustments), also other helpful rulers is a French curve, and a hip curve.
	Basting or other extra thread, very useful for holding pieces together before stitching, and rips a part easily after stitching.
	Pressing gadgets: Ham, Sleeve roll, Pressing towel
	Iron and dorm-size ironing board or ironing mat you need to use this.
	Tailor's chalk or erasable marking pencils, if you need these
